**1. Claim: India won both Miss World and Miss Universe 2025.**

- **Verdict:** FALSE
- **Confidence Level:** High
- **Explanation:** The claim that India won both Miss World and Miss Universe 2025 is incorrect. According to the Wikipedia page for Miss World 2025, Suchata Chuangsri from Thailand was crowned the winner, not a contestant from India. Moreover, the Miss Universe 2025 event is scheduled to take place on 21 November 2025, and therefore no winner has been announced yet for this pageant. This further invalidates the claim about India's double win in these pageants.
